Hello:

I wanted to reach out and introduce myself, my name is Amy Beruan and I am the new coordinator for the Title VII-Indian Education grant in Aurora Public Schools. I am starting my 4<sup>th</sup> year with the district and currently the coordinator for Title IA, Title II and Title III.

I am very excited to be helping to serve our Title VII-Indian students.

You are receiving this letter based on the information you have provided the district that your student is American Indian or Alaskan Native. In order to help serve your needs better moving forward, I would ask that you complete the attached form and send it back to our office at your earliest convenience.

By completing this form, we will be able to submit information to the US Department of Education and receive funding based on the completed forms. By receiving funding, we will be able to better serve you and your student by offering after school tutoring, special events, community gatherings and school supplies.

Should you have any questions, please feel free to call Tvhokne Harjo at 303-326-2000 ext. 27590 or me at 303-326-2000 ext. 28474.

Thank you and I look forward to many great years!
