October 21, 2016

APS Parents and Guardians:

The Aurora Public Schools is interested in applying for Impact Aid funding from the U.S. Department of Education and the U.S. Department of Defense for the 2017-18 school year. Impact Aid is designed to assist local school districts that have a high enrollment of students from families who live or work on federal property. Impact Aid funds become a part of the school district's general operating budget and support instructional activities for all students.

To qualify for Impact Aid funding, we are conducting a survey to obtain information on the number of students attending Aurora Public Schools, on October 5, 2016, whose parents/guardians live or work on federal property. We are asking all parents to complete the survey included in this mailing and return it to our office with the pre-paid return envelope.

This information is kept strictly confidential and will only be used to apply for Federal Impact Aid funds.

It is important that we receive a completed survey listing all students in the household in order to qualify for Impact Aid funding. If you have more than two students enrolled in Aurora Public Schools please use the reverse side for those additional students.

Please return the survey with the pre-paid envelope by November 15, 2016; you can always drop off the survey on base to Tom Cox, School Liaison Officer, Building 606 AFRC or at the above address.

If you have questions regarding Impact Aid, please contact Sherry Hinkle-Carlson or Amy Beruan at 303-365-5816, Tom Cox at 720-847-6694.

Thank you for your support.

Sincerely,

Amy J. Beruan  
Title I Coordinator  
Aurora Public Schools
